RESEARCH INTERESTS

Geometry processing, machine learning, programming languages

EDUCATION

George Mason University

Ph.D. in Computer Science

Advisor: Yotam Gingold

Fairfax, VA

Aug. 2019 - Present

Sun Yat-sen University

M.Eng. in Computer Technology

Advisor: Weigang Wu

Guangzhou, China

Aug. 2013 - Jun. 2015

Sun Yat-sen University

B.S. in Network Engineering

Guangzhou, China

Sep. 2009 - Jun. 2013

WORK EXPERIENCE

Baidu Map

iOS Developer

May. 2017 - Aug. 2019

Baidu International Technology (Shenzhen) Co., LTD.

- When developing navigation function, I implemented a full voice interaction method to change destination during navigation. The iOS users of Baidu Map can simply wake up the Du Voice, say their destination and choose the right one, so that a route is planned directly.

StarPoker Game

iOS Developer

Mar. 2016 - Apr. 2017

Baidu International Technology (Shenzhen) Co., LTD.

- Besides using native iOS API to develop Texas Hold'em game, I had a chance to learn different game engines such as Cocos2d and Unity3D. We improved user experience by creating various cool animations during the game and making the communication between client and server more robust.

Baidu Antivirus Software

C++ Developer

May. 2015 - Feb. 2016

Baidu International Technology (Shenzhen) Co., LTD.

- When joining the team, we had several antivirus engines at the same time which costed lots of resource. I worked together with a senior developer to merge several different engines into a single instance which greatly improved the efficiency. I also helped reduce the resource used by Baidu Antivirus Software.

AWARDS AND HONORS

Research Initiation Award , George Mason University	<i>May. 2020</i>
Outstanding individual in the fourth quarter , Department of Map, Baidu	<i>Jan. 2018</i>
Best individual in the year , Emerging Business Group, Baidu	<i>Jan. 2017</i>
Third Prize in the Cisco Network Technology Competition , China	<i>Jul. 2013</i>
Xianzi Zeng Scholarship , Sun Yat-sen University	<i>Nov. 2011</i>
Xianzi Zeng Scholarship , Sun Yat-sen University	<i>Nov. 2010</i>

TEACHING EXPERIENCE

Volgenau School of Engineering, George Mason University	
TA for CS451 Computer Graphics	<i>Spring 2021</i>
TA for CS551 Computer Graphics	<i>Fall 2020</i>
TA for CS262 Intro. to Low-level Programming	<i>Fall 2019, Spring 2020</i>
Cisco Networking Academy Program, Sun Yat-sen University	<i>May 2012</i>
TA for CCNA experiments	
Beitou Middle School, Heyuan City, Guangdong Province, China	<i>July 2010</i>
Teaching middle school mathematics to elementary school graduates	

PATENT

Xin Zhang, **Yong Li**, Baidu Online Network Technology (Beijing) Co., Ltd. *Route planning method, device and storage medium of Navigation.*
